It seems to be the system in Wright County to grade a piece of road, then neglect it and let it be ruined by washing. Does this pay? We will never have roads in this country until we learn to take care of the water on the hills. Good drainage is what we need.

Chessley Hire.

Chessley Hire was born in Brainsville, Ill., March 15th, 1891, and died of disease in France, Feb. 2nd, 1919, age 27 years, 10 months and 17 days. The body arrived in Mansfield from France on June 8th, and was buried with full Military honors in the Mansfield cemetery June 12th. He was a son of Mr. and Mrs. Cyrus Hire of north of Mansfield.

Chessley Hire lived with his parents in Ill. until 1900, when they moved from there to Kans. and lived until 1908, in which year they came to Mansfield. He entered the service of his country May 25th, 1918, and was assigned to Co. F, 350 Inf. 88th Division. He went with his Company to France during August of that year. He leaves a wife and son, father, mother, and five sisters and one brother to mourn his death.

Ernest Oetting, son of Fred Oetting, of north of Mansfield, was severely injured Monday, when a team ran away, breaking his arm and three or four ribs. His body was otherwise badly bruised and mangled. Dr's. Fuson and Rogers were called, and it is believed that there is a possible chance that the boy may recover.

There are a hundred and one reasons why farmers should come to Mansfield to do their trading, and bring their produce. The one is, that last Saturday, while our neighboring towns, including Springfield, were paying 17 to 20 cents per dozen for eggs, the Mansfield produce dealers were paying 21 cents. The other hundred reasons will be announced later.

Ervin Skelton, age 49 years, an engineer for the Rock Island railroad, was accidentally killed near Little Rock, Ark., last week. He was leaning out of the cab window from his engine working with the injector, while the train was running about 40 miles an hour, and a "crane" near the track struck him across the head and shoulders, knocking him from the engine. His fireman, some minutes later, discovered his absence and backed the train up to find Skelton in a battered and bruised mass. Though the body was badly mangled life remained with the man for several hours. The remains were laid to rest in Maple Park cemetery in Springfield. Mr. Skelton was a brother of E. O. Skelton of this city. He leaves a wife, four brothers and two sisters.

A Busy Business.

Considerable excitement was crowded into the events that occurred within a space of a few hours last Wednesday night.

The capture of 60 gallons of mash south of Norwood by officials from Wright and Douglas counties. The theft of two horses in the outskirts of Mansfield, and the arrest of a woman and two men, on general principals, were among the night episodes.

The horses which were taken from Tom Fry and Dwight Dennis by two men, armed with revolvers subsequently returned home, but pursuing posers were eluded by the horse thieves.

The woman was taken to the county jail at Hartville, released, and later taken in charge at Springfield, suspected of knowledge of the Ava bank robbery, and again released. One of the men arrested was taken in charge by Walter Lee of Mtn. Grove. The other was released and again arrested at Cedar Gap by Ava officials, but later released.
